TESTIMONIALS

“Every interaction with the team at The Midland during our stay for the FBUK conference was exceptional. From reception to housekeeping to late-night bar service, the staff were warm, helpful, and professional throughout. A truly welcoming and memorable experience.”

Emily M, FBUK Conference

“A huge thank you to you and all the staff at The Midland for helping deliver such a successful event. The two team members supporting us during the session were exceptional - nothing was too much trouble, and any changes to timing or setup were handled immediately and with a smile.

Our senior managers were equally impressed and are now considering the venue for future events. The historic charm of The Midland, especially the photos throughout the hotel, really resonated with our US colleagues. It was a fantastic experience from start to finish.”

Neil M, BNY

“Thank you so much for taking such great care of us - everyone loved their stay! We’ll definitely be recommending The Midland to colleagues working in Manchester.”
